RULES

- Fill Out "Registration Form" located on fundraising page
- If you sign up and can not make it, you **MUST** find a replacement - we will do our best to help you
- Show up on time. **PLEASE DO NOT BE LATE!** Some venues will not allow you to work if late due to security reasons
- If you do not show up (no call/no show) and/or not able to find a replacement you will be subject to warning and/or suspension
- Venues rank us to get the best stands - if we are constantly having no shows - we will be placed in poor sections of the venue and not be in line for the premium stands
- Our profits are directly related to a percentage of sales (varies by venue)
- Earnings will be spilt among the members that worked and placed in your IFA.

Example

Houston Texans Game 9/23/18

Game Starts at Noon (12pm)
Arrival Time usually around 10am

Need 10 ppl to work the stand for this game
(we can have as many stands as we can fill and are available)

After having attended a short orientation prior to working ~ you, your spouse, and athlete sign up to work - You and your spouse need to be TABC/Food Handler certified (prior to signing up). Your family shows up on time to work along with 7 others. One of you will be designated as the stand leader. Our group will be responsible for set up, operation and clean up. About 2 weeks from the date you worked (varies on venue) - SHADES will receive a check for a percentage of sales from that stand.

NOTE: It takes a bit for a new group to build up to the preferred stand locations however with great leadership and follow through we will move up fairly quickly.

Distribution of funds: Check is made out to Shades, Chairperson has list of those that worked, after 10% of earnings is placed in general funds the rest will be divided into 10 shares. Since you had 3 people work for your athlete - you will receive 3 shares into your family's IFA. **FOR EXAMPLE:** Check is for \$1500 - SHADES will deposit \$150 into the general fund. \$1350 will be divided by 10 (\$135 each). Your family will get \$405 placed in your IFA.

FYI: Not all venues percentages are the same. All concession successes are not the same. Earnings will vary. Some will be better than others.
